

CLM-10717

A technical drawing of a stepped shaft. The shaft has a total length of 4 1/4 units. It features three distinct diameters: a larger diameter section on the left, a medium diameter section in the middle, and a smaller diameter section on the right. The diameter of the left section is labeled as 7/8. The drawing uses standard engineering notation with dimension lines and arrows to indicate measurements.

$7/8$

$4 \frac{1}{4}$
